Recent changes	18-03-2020. There are no major changes. A new planned call for proposals was launched. Recent changes in response to COVID-19 In view of the situation regarding COVID-19 and the economic stimulus measures proposed by the Government, the project reimbursement period is expected to be extended for project promoters by 3 months, which means that the reimbursement period for all contracts already signed will last for 15 months instead of the initially planned 12 months. Also, due to the COVID-19 pandemic, the training can be conducted remotely using Skype, Viber, Messenger, and other applications. INVEGA employees can implement project implementation checks remotely - by joining remote training.
