Name of the instrument - Local language	Fachkräftestipendium
Name of the instrument - English translation	Skilled Workers' Grant
Scheme ID	328
Country	 Austria
Reporting year	2020
Type of instrument	Grant for individuals
Sub-type of instrument	Lump-sum support
Type of entry	Single instrument

Short description	<p>The scheme provides a wage-replacement payment for workers who have no higher education qualifications during participation in educational programmes selected by the dedicated body (published in a yearly list) for up to three years. Eligible programmes cover a broad range of secondary and post-secondary (mainly vocational) programmes. Support for fees can be also provided, however, coming under different other lines of support provided by the Public Employment Service. The scheme had been implemented as an alternative to the paid educational leave scheme, as the latter had been rarely used by adults starting from a low-skilled position/aiming at an intermediate level of qualification. 100% of eligible costs can be covered. The scheme offers a lump-sum grant as a wage replacement of EUR 30.60 (2020) per day.</p>
