ID number 28816

Objectives

The goal is to promote learning throughout life and to provide workers with updated skills. The committee is assigned to write a final report with assessments and proposals on continuing education and training.

Description

In March 2018, the government established an expert committee on continuing education and training (Ekspertutvalg om etter- og videreutdanning). The mission of the committee is to look into unmet needs in continuing education and training and assess to what extent the education system is able to meet the needs of the world of work. The initiative is part of the skills reform.

2019 Completed

The report was published on 4 June 2019 and sent for public hearing with a deadline of 23 September. The results of the public hearing have been processed by the Ministry of Education and Research and published.
