Background

This initiative was made to give Danish citizens an overview of their competences. The tool can be used to document and collect competences and qualifications achieved through education, work or leisure. It can be used for recognition of prior learning (RPL) when applying for an education course or a job.

Objectives

Giving Danish citizens an overview of their competences when applying for education courses or jobs.

Description

A new version of the RPL tool, the My competence folder (*Min kompetencemappe*), was launched in 2017.
