

# Centres of vocational education

**POLICY DEVELOPMENT****REGULATION/LEGISLATION** GREECE

## Timeline

**2018 Approved/Agreed****2019 Discontinued****ID number 28255**

## Description

Centres of vocational education (??E) were introduced in 2018. They are two-year post-secondary vocational programmes provided by universities for EPAL graduates. KEE programmes include 1 200 hours of theoretical and laboratory training, and 960 hours of practical training in a company. Successful course completion will lead to the acquisition of a level 5 certificate. A total of 60 programme proposals have been submitted by 11 universities from the 13 Regions of the country. The implementation of these programmes has not yet started.

**2018 Approved/Agreed****2019 Discontinued**

Law 4623/2019 suspended the implementation of centres of vocational education.
