

Positive perception of academic performance of VET students increases VET attractiveness

Description

Cedefop's opinion survey on vocational education and training (VET) examines EU citizens' awareness and opinions on VET's attractiveness and effectiveness.

See their opinion regarding the following statements. To what extent do you agree or disagree with each of the following statements? – Students with low grades are directed towards vocational education in your country.

Q21.2. General perception of VET - Academic performance

Countries
