

# Leading to well paid jobs increases VET attractiveness

## Description

Cedefop's opinion survey on vocational education and training (VET) examines EU citizens' awareness and opinions on VET's attractiveness and effectiveness.

See their opinion regarding the following statements about the job that people can get after education at upper secondary education. To what extent do you agree or disagree with each of them? – Vocational education leads to jobs that are highly regarded in your country.

## Q18.2. Attractiveness of VET: labour market outcomes - Well paid jobs
