

European Commission: PES practices for the outreach and activation of NEETs

A contribution of the Network of Public Employment Services

Description

This report was produced on the basis of 28 'Descriptions of Practices on outreach and activation of NEETs' submitted in October 2014 by 25 PES in 23 countries. In addition, the report also refers to some approaches to the outreach and activation of NEETs referred to in PES replies to the PES Business Models Study and other literature.
