

Cedefop: Opinion survey on vocational education and training in Europe

Opinion survey on VET

Description

In 2016 Cedefop launched its first ever opinion survey aimed at investigating European citizens' opinions on Vocational Education and Training (VET). A total of 35,646 interviews were conducted among the citizens of the Member States. The survey provides unprecedented data on European's opinions on awareness, attractiveness and effectiveness of vocational education and training in Europe.
