

NACIONALINĖ MOKYKLŲ VERTINIMO AGENTŪRA

**We create a successful school  
together**

**Vida Kamenskienė, Lithuania  
vida.kamenskiene@nmva.smm.lt  
2011 02 17, Bonn**

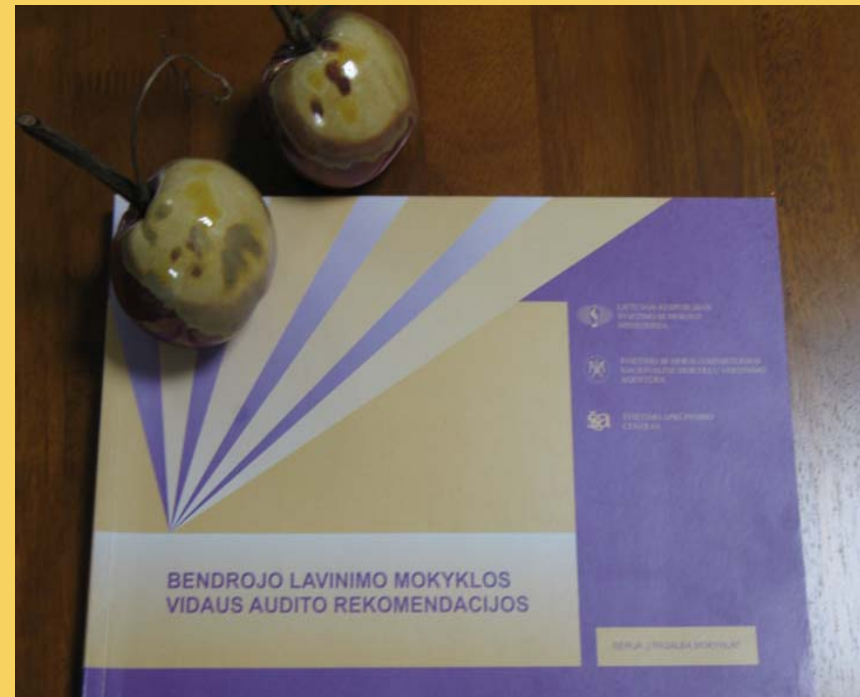

## How do we do this?

- Implementing principle of **subsidiary**
- **Identifying** positive practice, **publishing** and **disseminating** it
- **Learning** from successful practice

# Methodology of self- evaluation at school

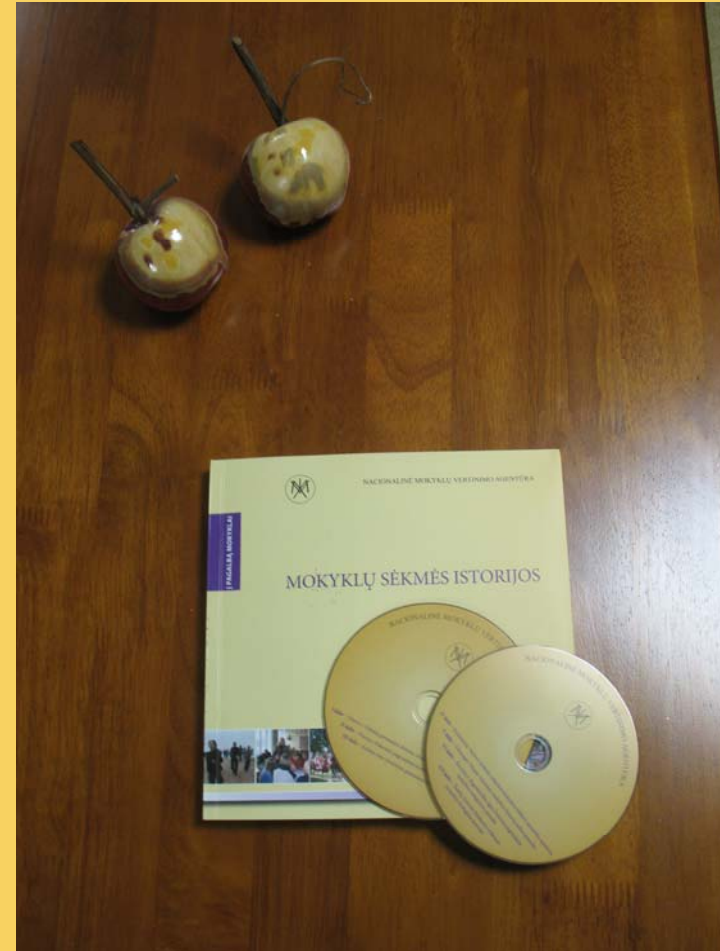

- The book contains recommendations from 33 Lithuanian schools how to do self-evaluation (Vilnius, 2008)

## 20 Lithuanian schools share successful experience

- The teachers write about their success formulas
- There are 2 DVD disks with fragments of effective lessons and 2 lists with tasks for teachers (Vilnius, 2008)

## Folders of filmed lessons

1. Lithuanian language. (The main focus is on the assessment of students)
2. Religion and art. (The main focus is on the interdisciplinary links)
3. Faith. (The main focus is how the teacher fulfils the plan of the lesson)
4. ICT. (The main focus is on students activities individualization)
5. English language. (The main focus is on the collaboration while learning)

Every folder has DVD disk with filmed lesson, plan of lesson, list with tasks for teacher. (Vilnius, 2009)

## Film 'Find success'

- The film contains successful practice at 8 schools
- The key question is how management of school influences teaching, learning and students achievements (Vilnius, 2010)
