In 2013, study visits bring together education, training and work

Grant applications for next round now open

Subjects of particular interest in today's economic climate, such as cooperation between companies, schools and local communities, and methods of improving skills and employability, are among the highlights of the next round of study visits, scheduled between March and June 2013.

The three-to-five day study visits, carried out in several languages, are addressed to education and training decision makers and professionals who work in national or local authorities, education and training establishments or employers' associations and trade unions.

Applicants can choose from 126 study visits taking place in 30 European countries.

Don't miss the chance to apply for a European study visit grant:

The deadline for applying for the next round is 12 October 2012, 12 noon Central European Time.
