The following publications have just been added to Cedefop’s bibliographic database VET-Bib.

Most titles are available either at our Cedefop library or they are accessible electronically. Descriptors are taken from ETT - European Training Thesaurus. References from EU Member States, Norway and Iceland are provided by ReferNet. If titles provided by ReferNet are not available online, a reference to the national Cedefop ReferNet partner is given.

All hyperlinks were working at the time of production. Please report any broken links (see impressum).
