Lifelong Learning Programme

Empowering vulnerable adults to tackle labour-market challenges

Angela Musca

Synthesis seminar

Thessaloniki, 6-7 June 2012

- **Workshop I:** *Helping adult migrants and ethnic minorities to enter and/or stay in the labour market*
- **Workshop II:** *Supporting adult low skilled and older workers (+55) to find a job and/or stay in employment*

Objectives of the workshops

- To discuss findings and examples of good practice identified from the study visits reports;

- To explore solutions to challenges faced by vulnerable adult learners (migrants and ethnic minorities, low-skilled and older workers) accessing the labour market.

Workshop booklet

- A presentation of the theme of the workshop;
- Examples of findings from relevant study visits;
- Key issues for discussion;
- A description of each initiative;
- A list of references;
- A glossary of key terms.

Examples of good practice

- Level of implementation;
- objectives and expected outcomes of the action;
- the main target group/s;
- the cooperation between different stakeholders;
- the main activities;
- the period of time;
- results/ impact achieved;
- added value and transferability of the initiative;
- additional information;
- contact details of the institution and contact person.

Structure of workshops

- introduction to the topic;
- ice-breaking exercise;
- working in small groups on the following issues:
 - approaches/ measures in your countries (similarities and differences);
 - success factors and transferability of practices;
 - examples of cooperation between stakeholders;
 - issues that need to be addressed in the future.

Be active, creative and flexible!

Have a fruitful and interesting workshop!
