Annex 1.

Indicative list of questions for discussion about the experience of the members of Cedefop Community of apprenticeship experts

During session 2, we will discuss your experience as members of the Community. You will be invited to share your feedback in relation to the issues below or some of them. We are happy to collect your feedback in writing prior to or after the meeting, if you wish to do so.

- **OUTPUT – relevance, interest, significance, timeliness, quality:** What is your opinion about the Community output i.e. the 2019-20 updated database fiches, the synthesis report on how countries were managing apprenticeships during the COVID crisis, the collective publication of the experts' short papers on governance and in-company training)?
- **INPUT – type of work, workload and work organisation:** how did you like the types of work carried out as part of the Community activities, also considering the time needed to carry them out?
- **BENEFITS:** which benefits were the most important ones for you from being a member of the Community? Learning, visibility of you/your work at the EU and/or national level, networking, collaborative work etc.? Were these what you had in mind when joining?
- **SUPPORT AND COMMUNICATION:** did Cedefop provide you with sufficient and timely support and communication (information, guidance, guidelines, availability to answer your questions etc.) to carry out the Community activities?
