

20TH ANNUAL PLENARY MEETING

OF

REFERNET

CEDEFOP'S EUROPEAN NETWORK FOR VET

9-11 NOVEMBER 2022

CEDEFOP – THESSALONIKI, GREECE

AGENDA

OBJECTIVES OF THE MEETING

ReferNet partners and national representatives will attend the 20th annual plenary meeting of the network, which coincides with 20 years of ReferNet and the third annual meeting under the 2020-23 Framework Partnership Agreement. It will aim in particular at:

- optimising the preparation of the 2023 work plan by capitalising on information provided on adjustments in VET policy reporting, the *Timeline of VET policies in Europe*, drafting national news, improving understanding of qualifications listed in OJAs, etc.;
- reinstalling a physical network dynamic of cooperation and shared reflection by convening in a physical open space, which will encourage creative reflection on how partners would like ReferNet to develop in the next 10 years.

The plenary meeting will be preceded by an event aimed at celebrating ReferNet's 20th anniversary. The event will be held on the evening of **Wednesday 9 November** (18.00-22.00) at the **Thessaloniki Concert Hall (Megaron Mousikis, new building)**. It will be open to researchers and experts in VET, stakeholders and representatives of EU institutions.
