

# **TTnet Greece**

## **Accrediting CVET Programmes for Trainers The case of Greece**

**9<sup>th</sup> TTnet Annual Conference**

**Konstantinos Papaefstathiou**

# Why EKEPIS?

## Official Authority and Policy Maker for the:

- Development,
- Implementation and
- Monitoring

of an Integrated National Vocational Training Accreditation System

Facilitates the implementation of:

- **Assessment** and
- **Quality Assurance** procedures, which ensure that all aspects of Vocational Education and Training function effectively under specific criteria

# What is our contribution within the LLL context ?

- **Contribute to improvement of Lifelong Learning and Training within the context of Law 3369 / 2005 on 'Lifelong Learning'**
- **Establish an effective National Accreditation System**
- **Link Continuing Vocational Training to Initial Vocational Education & Training, in terms of law 3191/ 2003, the so called ESSEEKA Law ('National System for the linkage between Vocational Education and Training to Employment')**
- **Contribute to the development of a national policy on Validation and Recognition of Vocational Qualifications of all VET key players and practitioners**

# Accreditation System: Main Strands

**EKEPIS is the National Authority for the development of an Integrated Accreditation, Monitoring & Evaluation System addressed to:**

- i. VET Providers (Training Centers)**
- ii. VET Trainers**
- iii. Support Services Professionals for Vulnerable Social Groups**
- iv. Job Profiles**
- v. VET Programs**

**VET Trainers**

# VET Trainers Accreditation System

**Developing in 3 stages:**

- **Trainers Register**
- **Training of Trainers**
- **Accreditation Process**

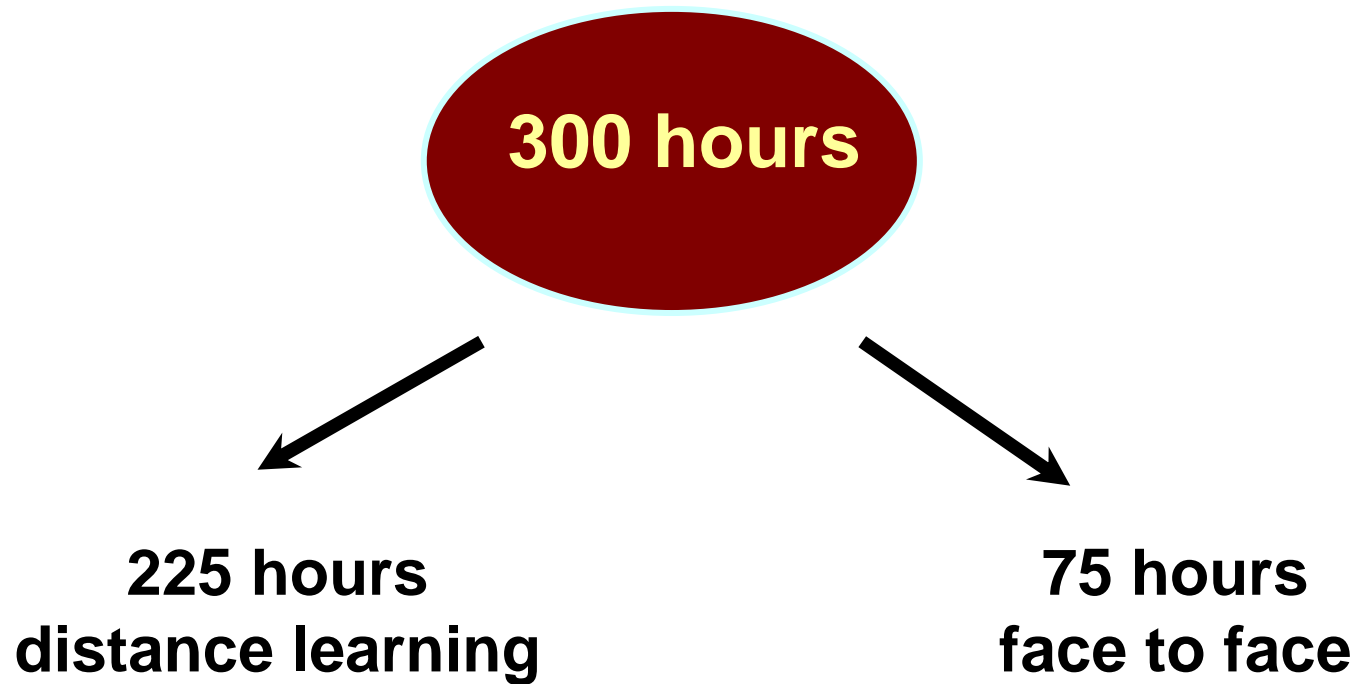

# VET Trainers Register

## Trainers Register Criteria:

- **Academic Qualifications**
- **Professional Experience**
- **Adult Teaching Experience**

# VET Trainers Training Programme

**Accredited Training Programme**

# VET Trainers Accreditation

## Accreditation Process:

- **Presentation of a 20 min. sample of training**
- **Each trainer will be assessed against specific criteria by two experts - assessors**

# **New Profile of VET Trainers**

# Why develop the “New VET Trainer” Profile?

- **4<sup>th</sup> Community Support Framework 2007-2013: Emphasis on HR**
- **In accordance with the EU Qualifications Framework for Teachers and Trainers**
- **Key role of VET Trainers in LLL**
- **EKEPIS has a growing Pool of 15.000 registered trainers**

# How are we going to develop the “New VET Trainer” Profile?

- **Open Call for Tender**
- **3 Universities have responded**
- **In 2007 a complete study will be delivered**
- **The study will be developed according to the Ministerial Decision 110998/8-5-2006 “Accreditation of Job Profiles”**

# Which are the main Requirements for the development of the Profile?

Developed in cooperation  
with the social partners

Modularized & broken down  
into knowledge, skills & competences  
required

Form the basis for credit transfer

Form the basis for recognition  
and validation  
of non formal learning

Training Programs will be  
based on specific job profile

# Outline of VET Trainers Job Profile

**VET Trainer**

**General  
Description  
of the field /  
occupation**

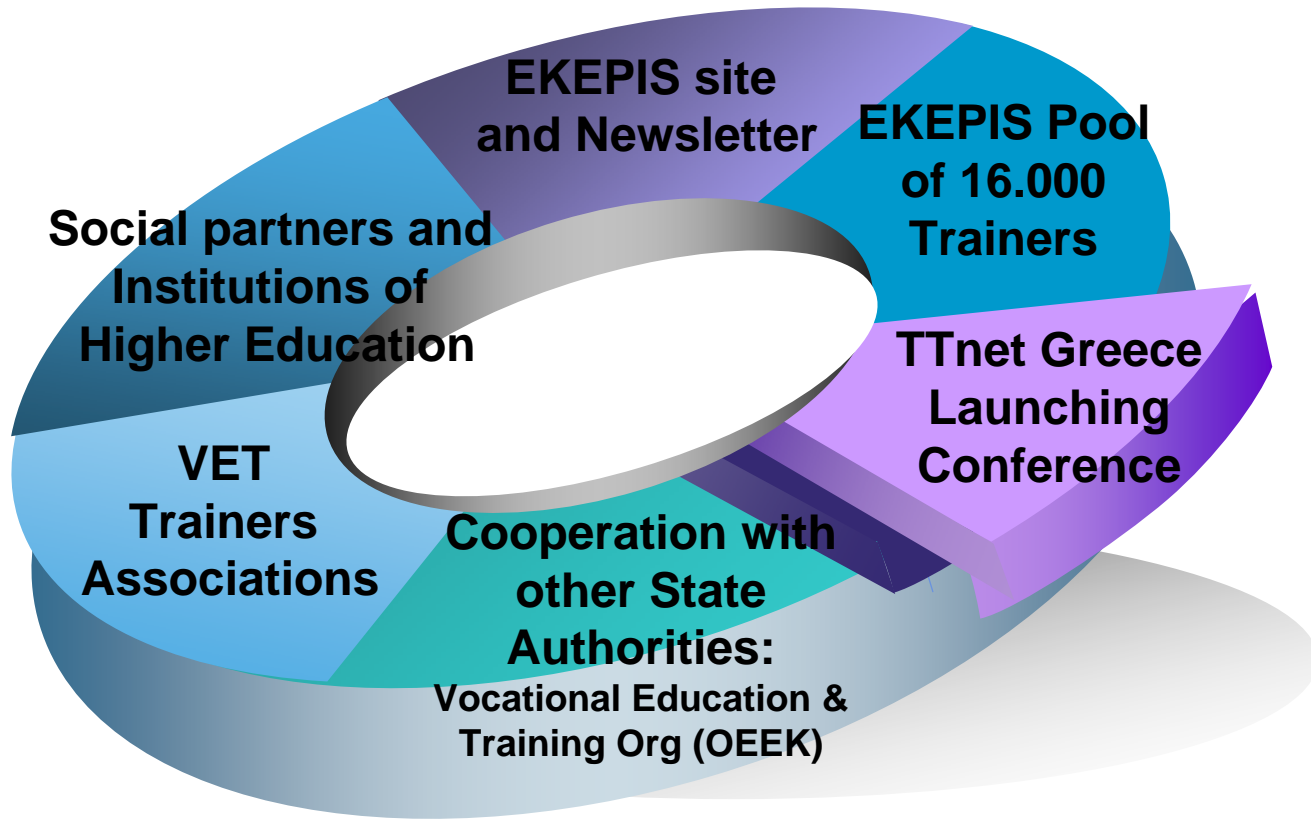

**Occupational  
Standards  
Analysis**

**Knowledge  
Skills  
Competences  
required**

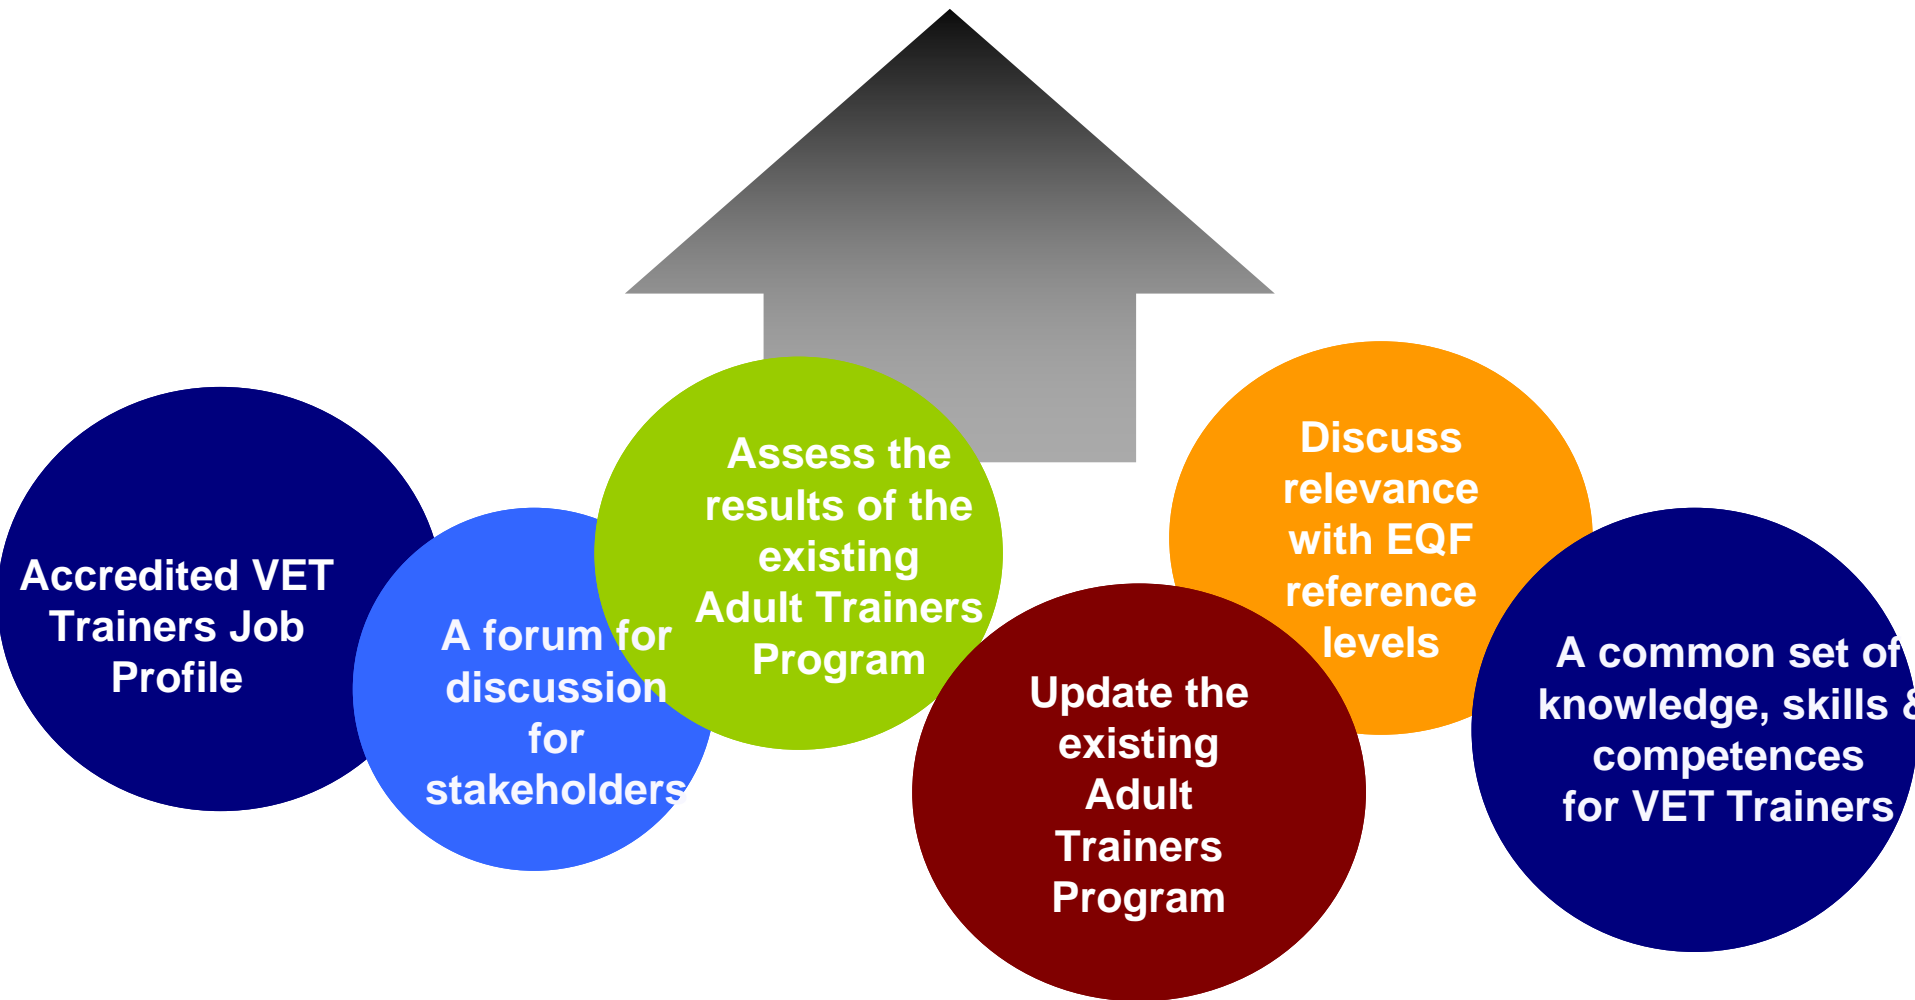

**Assessment  
Methodology  
of KSC**

**Formal / non  
formal paths  
to acquire  
qualifications**

# How the New VET Trainer Profile is going to have an impact on VET and LLL

# What is the expected Added Value of the New Profile of VET Trainers

# TTnet Greece

Thank you !
