**“Evaluation and interpretation of the third European Continuing Vocational  
Training Survey (CVTS3)”**

### **REQUEST FOR CLARIFICATION (1) – QUESTIONS AND ANSWERS**

#### **Question Nr 1:**

Will the publication of the study results by Cedefop as editor/publisher contain an indication of the authors and their organisations/institutions in the usual form?

#### **Cedefop’s clarification to Question Nr 1:**

Publications of the study results by Cedefop will contain an indication of the authors and their institutions according to Cedefop’s applicable provisions.

#### **Question Nr 2:**

Is the contractor allowed to use the study results and relevant study questions for its own further research?

#### **Cedefop’s clarification to Question Nr 2:**

With reference to your question, we would like to draw your attention particularly to Articles II.8 and II.10 of the draft contract. Article II.10 allows any use of results and information relating to the performance of the contract, including their distribution, publications, and use for the Contractor’s own further research, only after prior written authorisation by Cedefop.
