Jürgen Siebel
Cedefop Executive Director

“

It is times of major disruption that reveal an organisation's value to society. And it is at these times that organisations are tested, both for their endurance and their resilience.

At Cedefop, I am proud to say we responded to the coronavirus pandemic effectively, adapting to the pressing needs of an unprecedented emergency. Above all, we managed to deliver the added value that is expected of us when it is most needed.

”

CEDEFOP

IMMEDIATE CRISIS RESPONSE

An information hub for
countries and stakeholders

From day one, Cedefop has brought together European countries and education institutions providing them with a platform for sharing knowledge and experiences, and helping them tackle the challenges posed by the pandemic as the crisis unfolded.
