In regards to the above mentioned Open Tender Procedure please find below the answer of Cedefop to the clarification Question, raised by one potential tenderer within the specified in the Tender Document deadline:

Question 1:

Subcontractor Signatures:

Can you please confirm that you do not require original signatures for the Subcontractor Annex's as detailed in Section 4.2 of the tender document, when total subcontractor's contributions exceed 40% (i.e: that faxed or scanned copies are sufficient for the tender submission)?

Cedefop Answer to Question 1

At that stage it is not obligatory the documents related to sub-contracting to have the original signature/s of the sub-contractor/s (if any). However, in case of contract award we will require from the selected tenderer to submit the signed paper originals.
