OPEN INVITATION TO TENDER

AO/ECVL/ADEHM/ReturnToWork/004/11

"Return to Work – Work-based learning and the reintegration of unemployed adults into the labour market"

CLARIFICATION (2) – CEDEFOP'S CORRECTION

Point 5.4 – Financial proposal – Price Schedule (table 1)

In point a) - Sub Total (1) = (I) + (II) = ... Should read,

Sub Total (1) = (I) x (II) = ...

Besides, if the "number of person days" is distinguished among profiles as per the asterisk, the same distinction must apply to the "price per person day" and Sub Total (1) should be the sum of all profiles (number of person days x price per person day per profile):

e.g. Sub Total (1) = (expert person days x price per person day) + (secretary person days x price per person day) etc
