Question No 1

In Annex F, the checklist of mandatory documents, what do you mean for "selection criteria documents", except for Annex G and the Europass Cvs of key people? Is there other documents to attach?

Cedefop's answer to question No 1

In Annex F (checklist of mandatory documents) there is a reference to the paragraphs (3.2, 4.1 and 4.2) of the tender documents concerning the required evidence of fulfilment of the selection criteria that need to be provided for this call for tenders.

As stated in point 3.2 of the tender document, *“The tenderers must submit documentary evidence (or statements, where required) of their economic, financial, technical and professional capacity to perform this contract”*, therefore the required “selection criteria documents” are those listed under **“Proofs”** in par. **3.2.1** and **3.2.2** of the tender documents and if applicable in par. **4.1** and **4.2** for a consortium or in case of subcontracting. Your understanding is thus correct: Annex G with all its questionnaires filled, the detailed CVs requested, and (if applicable) evidence related to points 4.1 and/or 4.2, is indeed the set of required “selection criteria documents”.
