CLARIFICATION (2) – QUESTIONS AND ANSWERS

Dear Madam/Sir,

In regards to the above mentioned Open Tender Procedure please find below the answer of Cedefop to the last Question, which was raised by one potential tenderer:

Question 1:

Infrastructure:

There are new items that must be inserted to the given tables such as infrastructure (cable trays, piping etc). These items should be splitted per room or should be as new items on Index D1 or D2?

Is it allowed to add one more line, named "1.13. Infrastructure materials" and consider these as "lump sum", and total quantity 1 (one)?

Cedefop Answer to Question 1

These items should be inserted in Annex H-Financial proposal – Analytical cabling table, D2 "Cables", point 2.7 "Other cables".
