Cedefop Correction 1 - Clarification 1

(RS/PRO/CALU/2012/0403)

Cedefop correction 1

Point l) of Annex C of the tender documents shall read as follows:

l) in case of award of contract of a value greater than **130,000** Euro, they shall provide the evidence that they are not in any of the situations described in points a), b), d) and e) above.

Clarification 1

One tender has requested the following clarifications:

Question 1:

Is it not possible for an Icelandic institution to respond to this call?

Cedefop answer 1:

In accordance with the first paragraph of section 4 of the Tendering Specifications, "Cedefop can accept offers from and sign contracts with tenderers from 34 countries, namely: the 27 EU member States, 3 EEA Countries (Lichtenstein, Norway, Iceland) and 4 SAA Countries (Croatia, FYROM, Albania and Montenegro)".

Iceland is therefore explicitly mentioned as a country from which tenders are admissible.

Question 2:

Does this mean that the data collection will only be done in the EU 27 countries.

Cedefop answer 2:

As per point 1.1, b) - as well as in various other parts - of the Tendering Specifications, "the final dataset of all EU-27 Member States will be gradually compiled over three consecutive years as a result of a survey among employed individuals conducted in at least sixteen EU Member States as part of the first order form of the contract and incremental country additions in subsequent order forms."

It is therefore not foreseen to extend the scope of the present study beyond the EU-27 Member States.
