Giving access to tertiary education

Possible progression routes

End of compulsory education with basic education certificate; if unsuccessful, learners must continue to age 18

Prior VET knowledge may be recognised affecting programme duration

Access for learners 15 or over with no basic education

Work-based learning, referred to as ‘practical training’ in national context, either at a VET institution or an enterprise

General education programmes

VET programmes

Programmes combining VET and general education

Also available to adults (full-, part-time or distance education)

Officially recognised vocational qualifications

Qualifications allowing access to the next education level

Vocationally oriented programmes in sports, music and arts are available for pupils in these programmes

Giving access to tertiary education

Possible progression routes
