Open call for proposals — GP/RPA/ReferNet-FPA/004/14

ReferNet — Cedefop's European Network for Vocational Education and Training (VET)

(2014/C 234/10)

1. Objectives and description

With the objective of establishing a European network for VET — ReferNet, this call aims at selecting one applicant from Greece and Romania respectively (see point 3 below 'Eligibility criteria'), with which Cedefop will conclude a 12-month framework partnership agreement; and at concluding with each successful applicant a specific grant agreement for a 12-month work plan to be carried out in 2015.

Founded in 1975 and based in Greece since 1995, the European Centre for the Development of Vocational Training (Cedefop) is an agency of the European Union (EU). Acknowledged as an authoritative source of information and expertise on VET, skills and competences, its mission is to support European vocational education and training (VET) policy development and contribute to its implementation.

ReferNet is Cedefop's European network for VET. The mission devoted to ReferNet is to support Cedefop by reporting on national VET systems and policy developments and by raising the visibility of VET and Cedefop's products. It comprises 28 members known as ReferNet national partners from EU Member States, Iceland and Norway. ReferNet national partners are key institutions involved in VET in the country they represent.

Framework partnership agreements are implemented through specific grant agreements. Therefore, applicants shall not only submit a proposal for the 12-month framework partnership (which, if successful, will lead to the signature of a framework partnership agreement for the year 2015) but also the grant application for the 2015 action (which may lead to the signature of a specific grant agreement for 12 months in the year 2015). The applicant must demonstrate its capacity to carry out all the activities foreseen over the 12-month period and ensure adequate co-financing of the implementation of the work plan.

2. Budget and project duration

The estimated budget available for the four-year duration of the framework partnership agreements amounts to EUR 4 000 000, depending on the annual decisions of the Budgetary Authority.

The total available budget for the 2015 annual work plan (project duration: 12 months) is EUR 980 000 for the 28 Member States, Iceland and Norway.

The grant varies according to the country population and is awarded for carrying out an annual work plan. The total available budget for the 2015 work plan will be distributed on the basis of three country groups based on country population:

- country group 1: Croatia, Cyprus, Estonia, Latvia, Lithuania, Luxembourg, Malta, Slovenia and Iceland. Maximum grant amount: EUR 23 615,
- country group 2: Austria, Belgium, Bulgaria, Czech Republic, Denmark, Finland, Greece, Hungary, Ireland, the Netherlands, Portugal, Romania, Slovak Republic, Sweden and Norway. Maximum grant amount: EUR 33 625,
- country group 3: France, Germany, Italy, Poland, Spain, United Kingdom. Maximum grant amount: EUR 43 620.

The Union grant is a financial contribution to the beneficiary's (and/or co-beneficiaries') costs which must be supplemented by own financial contribution and/or local, regional, national and/or private contributions. The total Union contribution shall not exceed 70 % of the eligible costs.

Cedefop reserves the right not to award the total budget available.
