For the avoidance of doubt and where applicable, any such vesting of rights is also deemed to constitute an effective transfer of the rights from the Contractor to the Union.

The payment of the fee under Article I.3 is deemed to include all forms of use by the Union of the results as set out in Article I.9.

The above vesting of rights in the Union under this Contract covers all territories worldwide and is valid for the whole duration of intellectual property rights protection.

- II.10.3** Any intermediary sub-result, raw data, intermediary analysis made available to Cedefop by the Contractor cannot be used by the Union without written consent

of the Contractor, unless the tender specification explicitly provides for it to be treated as self-contained result.

- II.10.4** The Contractor retains all right, title and interest in pre-existing rights not fully vested into the Union in line with Article I.9.2, and hereby grants the Union for the requested period a licence to use the pre-existing rights to the extent necessary to use the delivered results.
- II.10.5** The Contractor shall ensure that delivered results are free of rights or claims from third parties including in relation to pre-existing rights, for any use envisaged by Cedefop. This does not concern the moral rights of natural persons and rights referred to in Article II.10.4.
- II.10.6** The Contractor shall clearly point out all quotations of existing textual works made by the Contractor. The complete reference should include as appropriate: name of the author, title of the work, date of publishing, date of creation, place of publication, address of publication on internet, number, volume and other information allowing to identify the origin easily.
- II.10.7** The Contractor shall clearly indicate all parts to which there are pre-existing rights and all parts of the result originating from external sources: parts of other documents, images, graphs, tables, data, software, technical inventions, know-how etc. (delivered in paper, electronic or other form).

For non-textual results or results provided in electronic form only, the description, instruction or information document shall list all parts coming from external sources: IT development tools, routines, subroutines and/or other programs ("background technology"), concepts, designs, installations or pieces of art, data, source or background materials or any other parts of external origin.

- II.10.8** If Cedefop so requires, the Contractor shall provide proof of ownership or rights to use all necessary rights to the materials referred to in Article II.10.7.
- II.10.9.** By delivering the results the Contractor confirms that the creators undertake not to oppose their names being recalled when the results are presented to the public and confirms that the results can be divulged.

The Contractor shall possess all relevant agreements of the creator and provide proof by way of documentary evidence.

- II.10.10.** By delivering the results the Contractor warrants that the above transfer of rights does not violate any law or infringe any rights of others and that he possesses the relevant rights or powers to execute the transfer. He also warrants that he has paid or has verified payment of all fees including fees to collecting societies, related to the final results.
- II.10.11.** The Contractor shall indemnify and hold the Union harmless for all damages and cost incurred due to any claim brought by any third party including creators and intermediaries for any alleged breach of any intellectual, industrial or other property right based on the Union's use of the works and in relation to which the Contractor has granted the Union user rights.

## **ARTICLE II.11 – FORCE MAJEURE**

- II.11.1.** Force majeure shall mean any unforeseeable and exceptional situation or event beyond the control of the contracting parties which prevents either of them from performing any of their obligations under the Contract, was not due to error or negligence on their part or on the part of a subcontractor, and could not have been

avoided by the exercise of due diligence. Defects in equipment or material or delays in making it available, labour disputes, strikes or financial problems cannot be invoked as force majeure unless they stem directly from a relevant case of force majeure.

- II.11.2.** Without prejudice to Article II.1.8, if either contracting party is faced with force majeure, it shall notify the other party without delay by registered letter with acknowledgment of receipt or equivalent, stating the nature, likely duration and foreseeable effects.
- II.11.3.** Neither contracting party shall be held in breach of its contractual obligations if it has been prevented from performing them by force majeure. Where the Contractor is unable to perform his contractual obligations owing to force majeure, he shall have the right to remuneration only for tasks actually executed.
- II.11.4.** The contracting parties shall take the necessary measures to reduce damage to a minimum.

### **ARTICLE II.12 – LIQUIDATED DAMAGES**

Should the Contractor fail to perform his obligations under the Contract within the time limits set by the Contract, then, without prejudice to the Contractor's actual or potential liability incurred in relation to the Contract or to Cedefop's right to terminate the Contract, Cedefop may decide to impose liquidated damages per calendar day of delay according to the following formula:  $0.3 \times (V/d)$

$V$  is the amount specified in Article I.3.1;

$d$  is the duration specified in Article I.2.3 expressed in days

The Contractor may submit arguments against this decision within thirty days of notification by registered letter with acknowledgement of receipt or equivalent. In the absence of reaction on his part or of written withdrawal by Cedefop within thirty days of the receipt of such arguments, the decision imposing the liquidated damages shall become enforceable. These liquidated damages shall not be imposed where there is provision for interest for late completion. Cedefop and the Contractor expressly acknowledge and agree that any sums payable under this Article are in the nature of liquidated damages and not penalties, and represent a reasonable estimate of fair compensation for the losses that may be reasonably anticipated from such failure to perform obligations.

### **ARTICLE II.13 – SUSPENSION OF THE CONTRACT**

Without prejudice to Cedefop's right to terminate the Contract, where the Contract is subject to substantial error, irregularity or fraud Cedefop may suspend execution of the Contract or any part thereof. Suspension shall take effect on the day the Contractor receives notification by registered letter with acknowledgment of receipt or equivalent, or at a later date where the notification so provides. Cedefop shall as soon as possible give notice to the Contractor to resume the service suspended or inform that it is proceeding with contract termination. The Contractor shall not be entitled to claim compensation on account of suspension of the Contract or of part thereof.

### **ARTICLE II.14 – TERMINATION BY CEDEFOP**

- (j) where the Contractor is unable, through his own fault, to obtain any permit or licence required for performance of the Contract;
- (k) where the Contractor, after receiving formal notice in writing to comply, specifying the nature of the alleged failure, and after being given the opportunity to remedy the failure within a reasonable period following receipt of the formal notice, remains in serious breach of his contractual obligations.

**II.14.2.** Prior to termination under point c), d), e), h) or k), the Contractor shall be given the opportunity to submit his observations.

Termination shall take effect on the date on which a registered letter with acknowledgment of receipt terminating the Contract is received by the Contractor, or on any other date indicated in the letter of termination.

Such guarantee may be replaced by a joint and several guarantee by a third party.

The guarantor shall pay to Cedefop at its request an amount corresponding to payments made by it to the Contractor which have not yet been covered by equivalent service rendered on his part.

The guarantor shall stand as first-call guarantor and shall not require Cedefop to have recourse against the principal debtor (the Contractor).

The guarantee shall specify that it enters into force at the latest on the date on which the Contractor receives the pre-financing. The guarantee shall be retained until the pre-financing has been cleared against interim payments or payment of the balance to the Contractor. It shall be released the following month or, in the absence of such clearing, four months after the issuance of a corresponding debit note. The cost of providing such guarantee shall be borne by the Contractor.

- to approve it, with or without comments or reservations, or suspend such period and request additional information; or
- to reject it and request a new progress report.

Approval of the progress report shall not imply recognition of the regularity or of the authenticity, completeness and correctness of the declarations and information it contains.

Cedefop may proceed with further verification, including an on-the-spot check, in order to ascertain, prior to payment, that the invoice is admissible.

Cedefop shall notify the Contractor accordingly and set out the reasons for the suspension by registered letter with acknowledgment of receipt or equivalent. HAVING REGARD to Council Regulation (EEC) No 337/75 of 10<sup>th</sup> February 1975 establishing a European Centre for the development of vocational training,

HAVING REGARD to the financial regulation applicable to the European Centre for the development of vocational training (Cedefop decision of 31.3.2003, last modified on 16 March 2006),

HAS ADOPTED THESE RULES:

#### **General provisions**

##### **Article 1**

1. Persons to whom these rules apply

- a) Experts from outside the Centre invited to deliver professional advice to committee members, a group of experts or individuals invited for meetings regardless of where the meeting is held.
- b) Any person responsible for accompanying a handicapped person invited as an expert to the Centre.

##### **Article 2**

No moral, material or bodily harm incurred by the expert or by the person responsible for accompanying a handicapped expert in the course of the journey or of his stay in the place where the meeting is held may be the subject of a claim against the Centre unless it can be imputed to the Centre.

The person invited using his/her own means of transport assumes, in particular, entire responsibility for any accident which may occur.

#### **II - Payment of expenses**

##### **Travel expenses**

##### **Article 3**

1. The expert has the right to reimbursement of his/her travel expenses from the place of departure (professional or private address) to the place where the meeting is taking place using the most economic form of transport, taking into account the distance: in principle by first class rail for distances not exceeding 400 kilometres (single ticket based on the official distance calculated by the railway company), economy class air tickets for distances exceeding 400 kilometres or where the journey involves a sea crossing.
2. Travel expenses are reimbursed upon presentation of the original documents, tickets or printouts in the case where tickets are purchased on-line, as well as the boarding pass for the outward journey. The documents submitted should show the travel class, the travel time and the price paid.
3. Reimbursement for travel by car shall be based on the first-class rail fare.
4. Where rail travel is not available for the journey undertaken by private car, reimbursement will be calculated at the rate of 0,22 €/km.
5. Taxi fares will not be reimbursed

**Article 4**

By derogation from the provision of Article 2, the Director of the Centre may decide that the travel expenses will only be reimbursed on the basis of the return rail fare in second class. In such a case, the invitation letter shall specify the reimbursement conditions.

**Subsistence expenses****Article 5**

1. The allowance for expenses per day of meetings, cover all the expert's expenses at the place where the meeting is held, including the cost of meals and local travel (bus, tram, underground, taxi)
2. The daily expenses allowance amounts to 92,00€.
3. If the distance of the place of departure to the meeting is equal to or less than 100 km, the allowance for expenses per day shall be reduced by 50%.
4. If the expert is obliged to spend one or several nights at the place of the meeting on account of the incompatibility of the hours of the meeting with travel arrangements<sup>1</sup>, a nightly accommodation allowance will be paid. This allowance amounts to 100,00€ per night, the number of nights cannot exceed the number of days of the meeting + 1.
5. An allowance for accommodation and/or daily expenses can be approved exceptionally if the extension of the stay allows the use of cheaper flight tickets and provided that the economy made is higher than the cost for the additional allowances.
6. The allowance for daily expenses and/or accommodation can be increased by 50% for high level experts by reasoned decision of the authorising officer. In this case this has to be mentioned in the invitation letter.

**Article 6**

In the case where the time period between two meetings does not permit the expert to return to his place of departure or if the expert prefers not to leave the place of the meeting, the latter has the right to the daily subsistence allowance for each intervening day, but the cost of allowances for the intervening days should not exceed the price of the return air fare.

**Article 7**

All expenses incurred by a handicapped expert and his/her accompanying person which are cannot be covered sufficiently by the allowances laid down in Article 4, will be reimbursed on the request of the responsible authorising officer and upon presentation of the necessary documents.

**Article 8**

1. Unless stated to the contrary in the letter invitation and in the request for the organisation of the meeting, experts are entitled to an allowance for expenses per day of the meeting and, if necessary, accommodation, provided they state on their word of honour that they do not receive similar allowances from another Community institution for the same stay. The responsible authorising officer assures the coherence between the contents of the invitations and the request for the organisation of the meeting.

---

<sup>1</sup> As a general rule the expert cannot be obliged either at the place of departure or the place of the meeting to:

- *leave the place of departure or the place of the meeting before 7.00 a.m. (rail or other means of transport) or before 8 a.m. in the case of air travel);*

2. The responsible authorising officer, by a duly motivated decision and on presentation of the required documents may approve reimbursement of expenses incurred by the expert following specific written or oral instructions.
3. Each reimbursement of travel expenses and daily allowance and/or accommodation shall be paid to one and the same bank account.

### **III – FINANCIAL PROVISIONS**

#### **Article 9**

1. The payment order is drawn up on the basis of a request for reimbursement, duly completed and signed by the expert and the meeting secretary responsible for checking the attendance of the expert.
2. Experts are required to provide to the secretaries of the meetings, the documents necessary for reimbursement as cited in the financial provisions applicable to the Centre at the latest within 30 calendar days following the last day of the meeting, as evidenced by the date of postage, the date of the fax or the mail.
3. The Centre will reimburse within the period laid down in the relevant implementing provisions of the financial regulation.
4. In the absence of justification by the expert, accepted by the reasoned decision of the authorising officer, non-respect of the provisions under paragraph 2, relieves the Centre of any obligation to reimburse travel costs and daily allowance expenses.

#### **Article 10**

1. Travel expenses are reimbursed in Euro at the prevailing exchange rate on the day when the payment request or recovery order is drawn up by the authorising department.
2. Transfer of the allowance for daily expenses and, where it is the case, for accommodation is made in Euro on the basis of the exchange rate on the day of the meeting. The allowances for daily expenses and accommodation will be reviewed on the basis of any modifications made by the Commission.
