Description of particular conditions: Subcontracting is allowed and is defined as the situation where a contract has been or is to be established between Cedefop and a contractor and where the contractor, in order to carry out that contract, enters into legal commitments with other entities for performing part of the service. If awarded, the contract will be signed by the selected tenderer (the contractor), who will be vis-à-vis Cedefop the only contracting party responsible for the performance of this contract. Cedefop has no direct legal commitment with the subcontractor(s).

For more information please refer to the tender documents.

In the case of a consortium (grouping) or subcontracting each member of the consortium and all subcontractors must provide the required statement for the economic and financial capacity, but the assessment of whether the minimum requirement is met will bear on the consortium as a whole or the tenderer together with his subcontractors.

In the event of recommendation for contract award the winning tenderer (single tenderer or in the case of a consortium (grouping) each member of the consortium) will be requested to prove the above by submitting audited financial statements (audited profit and loss account/statement or equivalent) if these are foreseen by the respective national legislation. Should total subcontracting exceed 40 % of the work by value, Cedefop reserves the right to request audited financial statements also from the subcontractors.

If, for some exceptional reason, the tenderer is unable to provide 1 or more of the above documents, he is required to justify the non-provision and may prove his economic and financial capacity by any other document which Cedefop considers appropriate.

Cedefop reserves the right to request any other document enabling it to verify the tenderer's economic and financial capacity.

Minimum level(s) of standards possibly required: The tenderer must be in a stable financial position and have the economic and financial capacity to perform the contract.
