

Adults' participation in learning

Some progress made...

ET2020 target by 2020:
'an average of at least 15 % of adults should participate in lifelong learning'

Targets by 2025: (EUROPEAN SKILLS AGENDA)

INDICATORS (in %)	OBJECTIVES FOR 2025	CURRENT LEVEL (last year available)	INCREASE (in %)
Participation of adults aged 25-64 in learning during the last 12 months	50%	38% (2016)	+32%
Participation of low-qualified adults 25-64 in learning during the last 12 months	30%	18% (2016)	+67%
Share of unemployed adults aged 25-64 with a recent learning experience	20%	11% (2016)	+82%
Share of adults aged 16-74 having at least basic digital skills	70%	56% (2016)	+25%

.....but still a long way to go
