## About the recognition statement

Utlåtandet visar att din eftergymnasiala utbildning är erkänd i landet du har studerat i. Det innebär att UHR har kontrollerat att utbildningen har en sådan kvalitetsnivå som godtas i utbildningslandet och att utbildningsanordnaren du har studerat vid har rätt att utfärda en sådan examen.

Vi har även granskat dina utbildningsdokument och tagit ställning till dess äkthet. Det kan till exempel innebära att vi har begärt in original eller verifierat dokumenten hos utbildningsanordnaren.

Utlåtandet kan vara en vägledning för arbetsgivare som ska fatta beslut om anställning. Det kan också ge en vägledning till universitet och högskolor som ska fatta beslut om antagning och tillgodoräkande. UHR är Sveriges ENIC-NARIC-kontor vilket betyder att vi har ett nationellt uppdrag att bedöma och informera om utländsk utbildning. Våra bedömningar är i huvudsak grundade i Lissabonkonventionen.

## Comparison with a Swedish qualification

Utlåtandet visar vilken svensk examen din utländska utbildning närmast kan jämföras med. Det innebär inte att UHR har utfärdat en svensk examen. UHR jämför utländsk utbildning mot yrkeshögskoleexamina som finns inom den svenska yrkeshögskolan i enlighet med [Lagen om yrkeshögskolan](#).

## Placement of Swedish qualifications and degrees

Svenska examina och sluttbetyg är placerade inom referensramar som visar olika nivåer av läranderesultat. I bilden ser du den svenska referensramen SeQF samt europeiska referensramar. [En interaktiv version av bilden finns på uhr.se](#).
