The annual meeting agenda includes presentations by invited guest speakers from our partner this year, the German Federal Employment Agency and University of Applied Labour Studies, and the *CareersNet* member-experts. *Cedefop*'s *CareersNet* members are independent experts who do not represent their institutions/organisations. Members are individuals with recognised expertise in the area of lifelong guidance and career development. They are selected based on a call for experts, subject to an evaluation process and are nominated by *Cedefop*'s management.
