

**OPEN INVITATION TO TENDER****AO/DSI/JB/Learning outcomes and the labour market/004/15****Cedefop Correction (2)**

---

**Correction No 1**

In point 5.1 of the Tender Specifications, award criterion 3, third bullet, an “i” has been mistakenly added at the end of the sentence.

The correct sentence should therefore read: “Demonstration of an in depth knowledge and understanding of the interaction between education and training and the labour market”.
