'Apprenticeships for adults'
Request for Clarification (2) – Questions & Answers

Question No 1

The tender specifications call for case studies covering three target groups: Low-qualified adults, migrants, and high qualified.

Which of the following categories does Cedefop see as relevant to include in the "high qualified" target group:

- a) Persons who already possess a higher education qualification (EQF levels 5-8)*
- b) Adults >25 years old who are studying for a higher education qualification*
- c) Adults in occupations which usually require a HE degree*
- d) Others, who?*

Cedefop's answer to question No 1

'High qualified' target group: adults >25 years old who are studying for a higher education qualification or who already possess a higher education qualification (EQF levels 5-8).
