

**OPEN INVITATION TO TENDER****AO/DSI/JB/ Learning outcomes and the labour market /004/15****Request for Clarification (2) – Questions & Answers**

Question No 1

I would like to ask you whether a project that was carried out in “...” but required extensive desk research in other EU countries, could be considered as a “European and/or international research project” as indicated in requirements.

Cedefop’s answer to question No 1

The tenderer should provide all the necessary information and explanation supporting the European and/or national character of the project(s). It shall be up to the Evaluation committee to determine and assess, in relation to the requirements of this specific call for tenders, whether the contracts declared comply with the relevant selection criteria.
