

**OPEN INVITATION TO TENDER****AO/DSL/ABARA/GRUSSO/learning cultures in organizations/002/15****Learning cultures in organizations****Request for Clarification (4) – Questions & Answers****Question No 1**

Do you accept the scanned versions of the other original tender documents signed/provided by consortium partners as well? For example Legal Entity Form, Exclusion Criteria Declaration, the Questionnaires and else?

**Cedefop's answer to question No 1**

Yes, scanned signed copies of Declarations, Legal Entity Form and Questionnaires may be submitted by the consortium members. However, the documents signed and submitted by the Consortium leader must be original signed documents.

**Question No 2**

We are a bit confused about and not sure how to prepare the Annexes G (Questionnaires) and who signs them. Therefore we would kindly ask the following:

- 1) We understand that all consortium partners have to fill-up those questionnaires, the information is crucial. However does it mean that for the tender documents we are going to have the separate Annexes per each consortium member and signed by their authorised representative?
- 2) Or the leader of the consortium collects the above info requested in the questionnaires from the partners and merges all data into each one of the questionnaire, so that we would have just 4 questionnaires filled-up and signed by the leader on a behalf of the consortium?

**Cedefop's answer to question No 2**

Both options are fine with us. It is up to the tenderer to choose either the one or the other.

### **Question No 3**

Please assist with one with one chapter in the power of attorney: “In case Cedefop awards the Framework Contract ... («the Contract») to Company 1, Company 2, ..., Company N («the Group Members»), based on the joint offer submitted by them for the provision of services for the tender ..... («the Services»)”

What info must follow to the words Framework Contract ... ? Is it Framework Contract Learning cultures in organisations (“the contract”)?

and provision of services for the tender ..., is it for the tender reference 2015/S 071-125430 of 11/04/15 (“the Services”)?

### **Cedefop’s answer to question No 3**
