II.2.4) **Description of the procurement:**

The highest estimated value is in the range of 180 000 EUR for the whole 4-year (maximum) duration of the contract. The estimated supply value is approximately 45 000 litres, i.e 180 000 litres for the 4-year period. There will be an estimated average of 6 deliveries per year depending on the weather conditions and the capacity of the contractor's tanks. This value is an estimate and is not binding on Cedefop as to the execution of specific amount orders.

Where the total budgeted value of the contract is exhausted earlier than the initially foreseen duration due to unforeseen circumstances, Cedefop reserves the right to examine a 'negotiated procedure without prior publication' with the existing contractor in order to increase, by up to 50 %, the maximum amount mentioned above (Article 134(e) of the Rules of Application of the Financial Regulation – Regulation (EU, Euratom) No 966/2012).
