

**OPEN INVITATION TO TENDER**  
**AO/DCM/MTA/Design-Prepress/016/16**

**Correction (1)**

---

In point 5.2 of the Tender Specifications, the following paragraph:

*For award criterion 3:*

*A description of the tenderer's approach to quality assurance in order to ensure continuity of service (back-up replacement arrangement) with regards to the scope of this call for tenders.*

*For both b) and c), the tenderers should indicate how their work plan would apply to the production of the material listed in Annex H1 of the Tender documents – Specimen quotation.*

Shall read:

*For award criterion 3:*

*A description of the tenderer's approach to quality assurance in order to ensure continuity of service (back-up replacement arrangement) with regards to the scope of this call for tenders.*

*For both **award criteria 2) and 3)**, the tenderers should indicate how their work plan would apply to the production of the material listed in Annex H1 of the Tender documents – Specimen quotation.*
