

PERSONAL INFORMATION

Paola Astorri

Paola Astorri, born in Luxembourg in 1970 where she lived until her European Baccalaureate in 1988, is working in Confindustria - the main association representing manufacturing and service companies in Italy - since 2002 and has worked since then on social/employment policy dossiers both at national and European level. She presently works as Senior Professional in the field of Social Sustainability in the Employment, Welfare and Human Capital Department of Confindustria. Since 2002, she has worked in the former Social Protection Dept. of Confindustria, dealing with different dossier including social safety nets, social policies, etc. At national level she represents Confindustria in the Technical Commission on CSR of UNI, the Italian Standardization Body, in the Committee (alternate member) of the Italian National Contact Point established at the Ministry of Companies and of Made in Italy, in the Monitoring Committee of the EU Asylum, Migration and Integration Fund (AMIF). At European level she is effective member in the employers' group of the Advisory Committees on the Free Movement of Workers and on the Coordination of Social Security Systems. In Business Europe she represents Confindustria in the CSR, Migration & Mobility and Social Protection working groups. In 2020: she has been Project Leader in the World Manufacturing Foundation Project on "*New Industrial Relations – Back to the Future: Manufacturing beyond Covid-19*", coordinating a global working group, contributing to the final white paper of the WMF Project published in November 2020.
