I am member of CCOO since 1992. I have been appointed as an alternate member of Cedefop's Management Board by CCOO Confederal Executive Committee at the proposal of the Secretary of Employment and Professional Qualification of the Trade Union.

I work as a Technical Assistant for the Trade Union Comisiones Obreras (CCOO) in the State Foundation for Training in Employment (FUNDAE). My job in this Foundation is to provide technical support to their representatives in the Board of Patrons and to spread information about vocational training and training rights for workers' representatives.

I obtained a Bachelor's Degree in Economic Sciences in 1994 and afterwards a Master's Degree in 2006.
