Current position

Senior expert in Department for International cooperation, National Institute for Education (NÚV), Czech Republic**Professional Experience**

I have been involved in the development of the Czech education system for fifteen years as an expert and project manager in the department for international cooperation of the National Institute for Education (NUV) under the Ministry of Education, Youth and Sports.

Since 2011 I have been the National Coordinator of the ReferNet CZ and author of numerous reports on the development of VET in the Czech Republic.

I have actively participated in the implementation of the European transparency tools in the Czech Republic, such as EQAVET and ECVET. I have been a member of the national ECVET expert team since 2014. Since 2016 I have been the national coordinator of activities on the implementation of EQAVET in the Czech Republic.

My focus is on improving cooperation between VET schools and employers. As an expert of the ESF system project P-KAP (Methodical Support of Regional Action Planning) I am responsible for section "VET and Cooperation of Schools and Employers", I also lecture seminars and workshops for teachers, school principals and trainers from companies.
