3b. Financing adult learning/CVET

Proposal for ReferNet 2026
annual work plan

Proposed ReferNet 2026 activity on financing adult learning/CVET: augmenting and disseminating reports prepared in 2025.

- Three objectives:
 - **Firstly**, to augment the reports by identifying if there are AL-specific activities included in the annual activity plans or annual budget reports of one or several main (national) institutions responsible for AL, producing a 2-4 pages long summary, to be attached to the main report of 2025.
 - **Secondly**, to prepare the reports for publication in national languages. Cedefop would produce automatic translations to be verified by ReferNet
 - **Thirdly** (*and optionally!*) – to co-organise with Cedefop national on-line or hybrid seminars to present the 2025 reports (preferably in national language). Cedefop could contribute with dissemination/visibility and identifying international/thematic experts.
