

The European Vocational Teacher Survey 2025-2026

Supporting teachers in VET schools

What is the EVTS?

The European Vocational Teacher Survey (EVTS) is an important social survey conducted on behalf of Cedefop, and EU agency.

The EVTS is Europe's first major survey dedicated to understanding the skill gaps, professional development and working conditions of teachers in vocational education and training (VET) schools.

How does it work?

Who can participate?

Randomly selected teachers who teach vocational or general education subjects for students at initial VET schools.

How?

You will receive an invitation email with a number and password to log in and complete the survey.

When?

You can participate between October 2025 to August 2026.

How long does it take?

It takes 30 minutes to complete the online survey.

Why participate?

Influence policy

Your responses will help inform better national and European policies for the teaching profession in VET. These policies will among others, equip VET teachers with resources to address major challenges, such as AI, climate change and social exclusion.

Engagement opportunities

Gain exclusive access to online events, network with other teachers, and share best practices.

Recognition

Receive a personalised certificate of participation from Cedefop.

Monetary incentives

To reward participating schools, we additionally offer vouchers for schools to buy equipment.

Make your voice heard!

By taking part, you contribute to **vital research** that will benefit teachers

Contact Information?

For more information, visit the EVTS website at <https://www.evts2025.eu>

Who is conducting the research?

The European Centre for the Development of Vocational Training (Cedefop) is a EU agency that supports the promotion, development and implementation of the Union policy in the field of vocational education and training (VET) as well as skills and qualifications. The Agency policies by working together with the European Commission, Member States and social partners.

The survey is carried with the support of Verian (Verian Group Belgium SA) - an independent research, evidence, evaluation, and communications agency.
