Programme

(indicated times are CET)

Session 2.

Past and present barriers to lifelong and life-wide learning

Moderator: **Iraklis Pliakis**, Expert, Cedefop

Presentation: **Manuela Samek Lodovici**, Research team leader, Istituto per la Ricerca Sociale

Rapporteur: **Ernesto Villalba Garcia**, Expert, Cedefop

Questions for discussion

- Over the past 20 years, which **barriers** to lifelong and life-wide learning have European and national policy initiatives **reduced**, from a transparency of systems and transferability of learning outcomes perspective? Which policy initiatives have contributed the most?
- Which barriers **persist** or have emerged? What aspects would need further attention in the future?

Session 3.

Exploring past and present trends and their influence on future policy developments on lifelong learning

Moderator: **Anastasia Poulidou**, Expert, Cedefop

Presentation: **Thomas Spielhofer**, Research Team Leader, Tavistock Institut gGmbH

Rapporteur: **Nicola Stokes**, Deputy project leader, Tavistock Institut gGmbH

Questions for discussion

- Reflecting on the past two decades and the current landscape at **European level**, what have been the prevailing trends and priorities in supporting lifelong learning? How might these past trends influence and shape future European policies on lifelong learning?
- Reflecting on the past two decades and the current landscape at **national level**, what have been the prevailing trends and priorities in supporting lifelong learning? How might these past trends influence and shape future national developments on lifelong learning?

13.05 – 13.20

Chair: **Zelda Azzarà**, Expert, Cedefop

Report back from breakout sessions

Speakers: rapporteurs from breakout sessions

13.20 – 13.30

Concluding remarks and work ahead

Zelda Azzarà, Expert, Cedefop

Loukas Zahilas, Head of Department, Cedefop

The workshop takes place in the context of the project:

Transparency and transferability of learning outcomes (2022-25) which analyses European and national policy initiatives of the last two decades (2000-20) aimed to increase the **flexibility** of European education, training and learning systems and support individual citizens' **lifelong and life-wide learning**.

The event provides a platform for policy-makers, stakeholders, experts, and researchers to engage in discussions on the interim findings of the project and contribute to its further development.
