EUROPEAN CENTRE FOR THE DEVELOPMENT OF  
VOCATIONAL TRAINING**Open call for proposals — GP/DSI/ReferNet\_FPA/001/19****ReferNet — Cedefop's European Network of Expertise in Vocational Education and Training (VET)**

(2019/C 256/02)

**1. Objectives and description**

With the objective of establishing a European network of expertise in VET — ReferNet —, this call aims at selecting one applicant from each eligible country (EU Member States, Iceland and Norway) with which Cedefop will conclude a four-year framework partnership agreement, and at concluding with each successful applicant a specific grant agreement for a work plan to be carried out in 2020.

Founded in 1975 and based in Greece since 1995, the European Centre for the Development of Vocational Training (Cedefop) is an agency of the European Union (EU). Acknowledged as an authoritative source of information and expertise on VET, skills and qualifications, its mission is to support European vocational education and training (VET) policy development and contribute to its implementation.

ReferNet is Cedefop's European network for information on VET. The mission devoted to ReferNet is to support Cedefop by reporting on national VET systems and policy developments and by raising the visibility of VET and Cedefop's products. It comprises 30 members known as ReferNet national partners from EU Member States, Iceland and Norway. ReferNet national partners are key institutions involved in VET or labour market policies in the country they represent.

Framework partnership agreements are implemented through annual specific grant agreements. Therefore, applicants shall not only submit a proposal for the 4-year framework partnership (which, if successful, will lead to the signature of a Framework Partnership Agreement for the years 2020 to 2023) but also the grant application for the 2020 action (which may lead to the signature of a Specific Grant Agreement for the year 2020). The applicant must demonstrate its capacity to carry out all the activities foreseen over the four-year period and ensure adequate co-financing for the implementation of the requested tasks.

**2. Budget and project duration**

The estimated budget available for the four year duration of the framework partnership agreements amounts to EUR 4 000 000, depending on the annual decisions of the Budgetary Authority.

The total available budget for the 2020 annual work plan (project duration: 12 months) will be EUR 980 000 for the 30 partners (from the 28 EU Member States, Iceland and Norway).

The grant varies according to the country population and is awarded for carrying out an annual work plan. The total available budget for the 2020 work plan will be distributed on the basis of three country groups based on country population:

— Country group 1: Croatia, Cyprus, Estonia, Latvia, Lithuania, Luxembourg, Malta, Slovenia and Iceland. Maximum grant amount: EUR 23 615.

- Country group 2: Austria, Belgium, Bulgaria, Czechia, Denmark, Finland, Greece, Hungary, Ireland, the Netherlands, Portugal, Romania, Slovakia, Sweden and Norway. Maximum grant amount: EUR 33 625.
- Country group 3: France, Germany, Italy, Poland, Spain, United Kingdom <sup>(1)</sup>. Maximum grant amount: EUR 43 620.

The Union grant is a financial contribution to the beneficiary's (and/or co-beneficiaries') costs which must be supplemented by own financial contribution and/or local, regional, national and/or private contributions. The total Union contribution shall not exceed 70 % of the eligible costs.

Cedefop reserves the right not to award the total budget available.
