

PERSONAL INFORMATION

 Calle Diego de Leon, 50
28006 Madrid - SPAIN

Current position

**Senior Advisor (Education and Training Department)
Spanish Confederation of Employers' Organizations (CEOE)**

Since 2008 I have focused my professional career as representative of employers' interests and negotiator as social agent with Governments and most representative employee's organizations (Both National and International level).

I have been working in many areas of expertise during this period, such as: Education and Training, Social Affairs, Collective Bargaining, Equality, Migration, Social Security, Health and Occupational Risks.

I am member of different institutional participation bodies in education and training in Spain: UNED, ANECA, FUNDAE, National School Council, General Council on Vocational Training, National Committee on Training for Employment and I am also member ACVT.

Education and Training

Degree in Law, Higher Education on Employment and Social Security Law, Master's degree in human resources management, Higher education on technical occupational risk prevention, Higher education on technical gender equality and work-life balance and participant on the "Employers Young Professionals' Academy" (ITCILO), among other complementary training.
