

**CEDEFOP**

European Centre for the Development  
of Vocational Training

# Analytical framework for the post-2020 policy reporting

**18th annual plenary meeting of ReferNet  
4 December 2020**

## Renewed skills and VET agenda

➤ European Skills agenda

➤ Council Recommendation on VET

for sustainable competitiveness, social fairness and resilience

➤ Osnabruck Declaration on VET

as an enabler of recovery and just transitions  
to digital and green economies

Analytical framework to

Monitor

Report

Analyse

# Analytical framework

- draws on the previously used data collection tools
- aims to reflect the national contexts of VET policy- and decision-making and operation
- allow mapping national priorities and policies against the European agenda

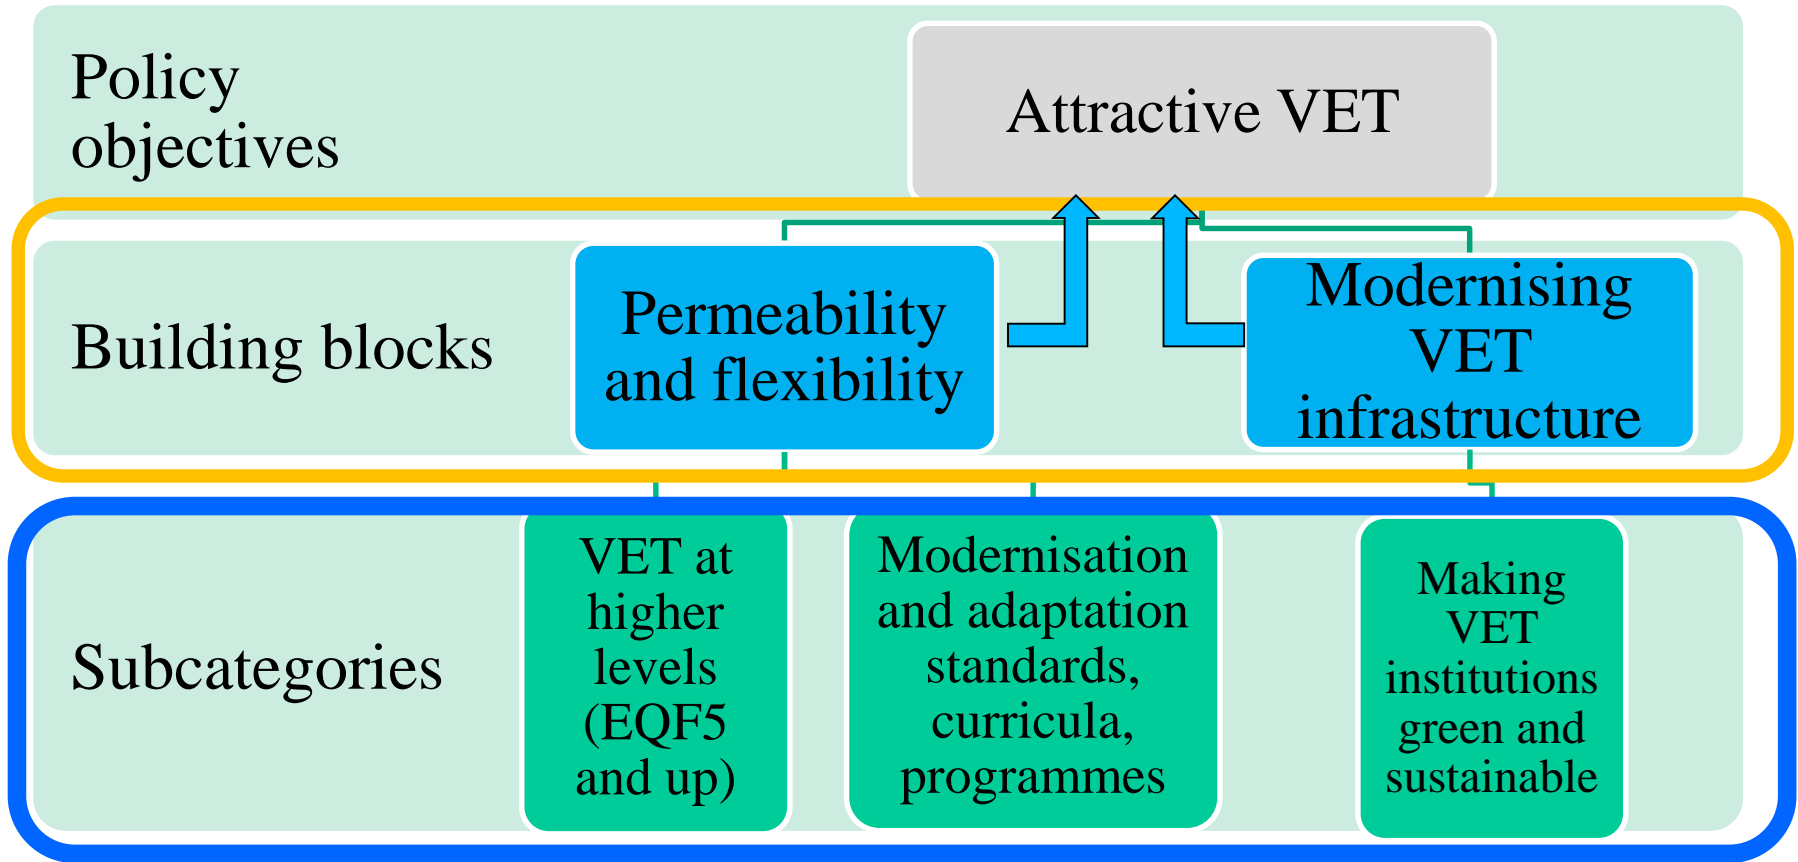

# 'Building blocks'

- categories used to collect information
- clear and tangible concepts
- allow constructing broader and more abstract concepts
- translate in sub-categories to describe different aspects in more detail

# Building blocks

... now in breakout sessions...

suggest **subcategories**

for each of the blocks

necessary for better reporting policy  
developments in VET in your  
countries and in line with the EU  
agenda

Modernising VET infrastructure
