Career guidance in Austria – governance

Key actors & their roles

Career guidance in Austria - governance

National guidance forum

NATIONAL GUIDANCE FORUM

Communication – Cooperation – ~~Coordination~~

- ✓ established in 2005 as National Steering Group for Lifelong Guidance of the Ministry of Education → supporting the development of LLG strategy in Austria
- ✓ first step: only representatives of different ministry departments
- ✓ next steps: expansion to include representatives of social partners and other ministries
- ✓ since 2011: National guidance forum
- ✓ meeting once a year
- ✓ additional meetings for current developments
- ✓ variable participation (about 20 partners)

Objectives:

- ✓ information & discussion about recent developments & initiatives
- ✓ fostering cooperation between partners
- ✓ **NO active** coordination of career guidance activities

- Ministry of Education
- Ministry of Labour & Social Affairs
- Federal Chancellery

- Austrian Economic Chamber
- Federal Association of Industry
- Chamber of Labour
- Trade Union Federation
- Chamber of Agriculture

- ibw (CareersNet Expert)
- öibf
- Austrian Association for Education & Economics (VWG)

- Euroguidance Austria
- Europass Austria

NATIONAL GUIDANCE FORUM

Some success so far:

- ✓ better common understanding of goals of career guidance and of a national strategy
- ✓ better common understanding of challenges
- ✓ more information and more transparency about projects and initiatives of different players
- ✓ more cooperation in some areas
- ✓ improved use of existing resources
- ✓ improved quality assurance and development of tools by broader networks and more feedback
- ✓ inspiring and initiating of new project or know how transfer
