

## Investing in career guidance

### Description

---

Career guidance describes the services which help people of any age to manage their careers and to make the educational, training and occupational choices that are right for them.

It helps people to reflect on their ambitions, interests, qualifications, skills and talents - and to relate this knowledge about who they are to who they might become within the labour market. Find more [here](#).

## Toolkit for diversity in the primary school - Together towards inclusion

Guidance on best practices (to improve the design of policies and practices). The toolkit aims at helping schools create and sustain a welcoming and inclusive environment for students and parents from all backgrounds and ensure equal access for all.

## The Guiding Cities model

Guiding Cities aims to create a model of guidance to promote coherent policy and strategic planning and to respond to the complex needs in the fight against early school leaving.

## Course on Prevention of Early School Leaving - School Inclusion Project

Guidance on what works (to help improve the design of policies and practices)

## Coordinating guidance and validation

Validation and guidance help individuals, organisations and Member States adapt to career challenges and create successful lifelong learning systems. However, little is known about how they are linked in practice and how this connection can be made more efficient.
